1965 Marlin. Original condition with only 83,100 miles. White with turquoise top and deck lid. 327 V8, automatic transmission, power steering, power breaks, wire wheel covers. Driven every year and it runs great. The dual exhaust sounds really nice with small glass packs. The body, chrome bumpers, and stainless are in excellent condition. The front disc brakes and at least one caliper replaced. Power steering and brakes are very good. Tires are good non-radial white walls. All the glass is good and the accessories such as radio and heater work. The paint is very good considering it is original. The interior is very good, especially the headliner, door panels, original black carpet, dash, and rear seats. There is a seam split on the front seat behind the driver's back. It is hard to find a Marlin in this good original condition. \$12,500. Contact Joe at 603-548-0069 or jphwrd@gmail.com

We are BK CLASSIC AUTO GLASS and have been in the auto glass business since the late 1940's, and have bought and collected tons of American Motors and Rambler auto glass parts. At some point I am sure everyone needed some auto glass and that's where we come in. You can look for us in our EBay store **BK classic auto glass** and maybe we have one of those glasses that can make a rebuild restoration complete.
