1965 Marlin. 1965 AMC Marlin, barn find 37,000 original miles. 4 new jetzon white letter tires, new belts, all fluids changed, runs and drives. Strong 287 v8 engine never been touched. All lights and radio work. FUN CAR ! Drive anywhere in this 1960s classic, they did not make many 65 Marlin's. Located in Bethlehem, NH. Asking \$5,995.00. Contact Phil at 603 869 2181. (08/15)

67 Marlin. 343 V-8 4-bbl, Automatic, PS&PB, 123K miles. The transmission is not with the car, and the right front fender and the front bumper was dented about 20 years ago. The engine has not been started since the transmission was pulled out back around 1982, but the car was running at that time. The rockers have some rust and the passenger front floorboard has a small hole in it. The rest of floorboards seem OK. There is significant rust at the trunk area where the Marlin emblem is located. I could not find the keys to the car, so the trunk has not been opened. Looking through the back seat area into the trunk, I only see rust around the same "Marlin Emblem" area, where the trunk closes against the body. The trunk pan looks OK. The headliner looks good, and is still intact. All 4 hubcaps are in very good shape. I put the car up on cinder blocks last year to help prevent any additional bottom side rust. The car is located in Nutbush, VA. Asking \$2,500 OBO. Contact Larry O'York, 434-390-4207, email loyork7887@gmail.com. The best way to contact during the day is via e-mail or via text. (12/14)

1967 Marlin. 81,000 miles. Blue / white 343 4bbl / AT on column, cruise, PS, PB, AM radio, factory air, bucket seats. Has nice interior – driver's seat has some wear. This car had been setting in a garage for 26 years. Before that, it was driven every day, so it had rust in quarters, rockers, floors, and fenders. Looks good from 50 feet away. The engine runs good –

all the seals have been replaced. One of 2545 made. I have a carpet kit and one NOS fender that will go with the car. Located in Mechanicsburg, OH. Asking \$3900. Contact Troy Gill, [937-869-0955](tel:937-869-0955) or tgill66@aol.com (12/14)

We do have many Marlin specific parts on hand and would be glad to help members of the Marlin Auto Club with their needs. We have one of the largest inventories of parts for AMC and rambler cars. As for an online or specific model catalog we don't offer one. We do have many items used on the Marlin. For fast personal service and help we offer one to one help. For help with someone's Marlin needs all they need to do is contact us via phone, fax or email. We do take all the phone calls first and emails last. *Steven Blaser*

Kennedy American has many parts that are for Marlins, including any engine and transmission specific parts. Members can also search for Marlin parts on our website and on the home page they can select the year/engine/transmission of their Marlin and it will create a custom catalog of parts for their car. *Jeff Kennedy*

BK CLASSIC AUTO GLASS

We are BK CLASSIC AUTO GLASS and have been in the auto glass business since the late 1940's, and have bought and collected tons of American Motors and Rambler auto glass parts. At some point I am sure everyone needed some auto glass and that's where we come in. You can look for us in our EBay store **BK classic auto glass** and maybe we have one of those glasses that can make a rebuild restoration complete.

Thanks, Bob Kent
